

The Evergreen Circle

"I chose to become a part of the Evergreen Circle and leave a legacy gift to the ECA because preserving the lands I grew up playing in, matters to me for the sake of my grandchildren" -Legacy Gift Donor

The Evergreen Circle recognizes ECA supporters who have expressed their intention to leave a legacy gift in their will. Named for the evergreen coniferous trees whose 'green light' continues year after year to nourish wildlife and people, and the Circle symbolizes continuity, resilience, and stewardship that endures across generations.

Through legacy giving, members help ensure the long-term preservation, ecological integrity, and connectivity of the Escarpment Corridor Alliance, supporting conservation initiatives that sustain biodiversity, ecosystem services, and community well-being into the future. Joining the Evergreen Circle reflects a lasting commitment to land conservation and a shared vision of preserving the landscapes we love for generations to come.

Members of the Evergreen Circle receive:

- Special updates and insights into the ECA's conservation work
- Opportunities to share ideas and input as part of our inner circle of supporters
- An invitation to the Evergreen Circle Annual Gathering
- Special recognition in our Evergreen Circle communications

The ECA extends it's gratitude to the Evergreen Circle founding members:

- Carolyn Thickett
- Liz Rykert
- Bruce Harbinson
- Jarvis Strong
- Anonymous

A planned legacy gift in your will is also an effective tax planning tool for your estate. Learn more: <https://www.willpower.ca/category/why-leave-a-gift/>

Will you join the Evergreen Circle and make a commitment to a green future for South Georgian Bay?

To learn more about joining the Evergreen Circle, please contact Jarvis Strong, Executive Director.
